Resolution respecting the Biennial Register.

Resolved, by the Senate and House of Representatives of the United States of America in Congress assembled, That, in addition to the matter heretofore contained in the Biennial Register, published by direction of a joint resolution passed on the twenty-seventh of April, one thousand eight hundred and sixteen, there shall be included a correct list, in the next Register, of all printers of the laws of the United States, subsequent to the thirtieth of September, one thousand eight hundred and thirty-one, to the thirtieth of September, one thousand eight hundred and thirty-three, with the compensation allowed to each; and of all printers within the period aforesaid, in any way employed by Congress, or by any department or officer of the Government, with the compensation allowed to each, designating the department or officer causing the printing to be executed; and that said Register shall contain a correct statement of all allowances made by the Postmaster General, within the period last aforesaid, to each contractor on contracts for carrying the mail, discriminating the sum paid as stipulated by the original contract, and the sum as additional allowance. And to enable the Secretary of State to comply with this resolution, the several heads of departments, and officers directing or incurring the expense, or making the allowance mentioned, shall cause the lists, and the matter thereby required to be added, to be lodged in the office of the Department of State, as is directed in other cases, by the resolution of April twenty-seventh, one thousand eight hundred and sixteen.

Resolved, That said Register shall contain a correct list of the Presidents, Cashiers, and Directors of the Bank of the United States and its branches, in office on the thirtieth of September, eighteen hundred and thirty-three; which list shall be transmitted by the President of said Bank to the Secretary of State, by the first Monday of October, one thousand eight hundred and thirty-three.

*NOTE.—It is not pretended that the following list is accurate or complete. It being required that the names of persons employed on the 30th September should be given, it is impossible to procure the returns in season for printing the Register. Besides this, many of the agents neglect to make returns, and in other cases it is impracticable from a variety of causes to obtain the requisite information. It is believed to be complete and accurate, so far as this office has the means of making it so.
